

Accelerated Potential Christian Academy Grade 3/4 FT Teaching Position

We are looking for a patient, well-spoken, educated individual to help mold the spiritual and academic minds of our young students in our brand-new Christian School in Medicine Hat, Alberta. We teach all subjects, from Kindergarten to Grade 6 and offer a strong, academic program that focuses on helping our students reach their full potential!

Interested in helping students achieve academic success? If so, consider a teaching position with APCA. We are looking to hire a full-time teacher to teach a small grade 3/4 class. Our small class sizes of ten students meet the individual needs of each of our students whether they have achievement gaps or excel.

Responsibilities:

You will be responsible for planning, preparing, and instructing your own class following the Alberta curriculum in an engaging manner that meets the needs of all of your students.

Requirements:

Knowledge of the 3/4 Alberta curriculum

Able to communicate clearly and effectively in verbal and written forms

The successful candidate must work cooperatively and effectively with students and staff.

Qualifications:

Degree in Education.

Excellent communication skills-verbal and written.

A genuine interest and joy in helping individuals achieve their potential.

Be competent in working with children of varying ability levels.

Ability to express ideas clearly and effectively, orally, and in writing.

Excellent organizational skills

Computer knowledge, specifically in Microsoft Word and Excel

**If this interests you, and you are excited about the opportunity to teach in a Christian School we invite you to submit your resume to info@acceleratedpotentialacademy.com
