

Koinonia Christian Education Society is a system of independent Christian schools serving communities across Alberta, Canada. Koinonia Christian Schools work together to provide children with a Christ-centered, academically excellent education using direct, classroom instruction and provincially accredited curriculum. Some schools also have a home school division for families who need or desire it.

Member schools are governed by a non-profit parent society. Each school abides by a set of common Core Policies including an evangelical Statement of Faith, and Koinonia provides encouragement, guidance, training and employment benefits through its Executive Director and central office.

Koinonia schools employ Alberta certified teachers and meet all the Alberta curriculum requirements. Students write the same standardized tests and diploma exams that are required of all students in Alberta. Courses are taught from a Biblical perspective providing students with a Christian worldview.

Teachers in Koinonia schools are skilled professionals and dedicated, mature Christians. In addition to education degrees and provincial certification, many have Bible College training as well. Koinonia provides its teachers with a variety of professional development opportunities.

Cherry Coulee Christian Academy (CCCA)

Founded: 1989
Enrolment: about 70 K to Gr. 12
Principal: Mike Daniels
e-mail: compdoc02@yahoo.ca
Phone: (403) 545-2107

Cherry Coulee Christian Academy is located in a largely rural agricultural community about 40 minutes west of Medicine Hat. Because of its smaller size CCCA has a very homey feel to it, creating a wonderful Christian community. For anyone who likes to live in a small town setting in one of the sunniest parts of Canada, this would be a great place to teach. Cherry Coulee's regulation sized gymnasium makes it one of the most popular venues in the community. The board and teachers of CCCA believe that when the home, church, and school environments work cooperatively together, children will grow up with a strong solid Christian base for the future.

Newell Christian School is located at the intersection of Highways 36 & 544 about 10 minutes NW of Brooks. We exist to provide an educational environment that reinforces Christian homes and churches in preparing children spiritually, academically, socially, and physically for a lifetime of serving Jesus Christ. Everything in life is different when one comes to know Jesus Christ as Lord and Savior. Honouring Him as Lord and Savior in a school makes an equally great difference. From how we conduct our janitorial duties to how we counsel students needing discipline; from board policy discussions to student playground behavior.... everything is different because of God's presence.

High Level Christian Academy is located in Alberta's most northern town. In its more than thirty year history, HLCA has established a solid reputation for its spiritual and academic focus. The High Level area has a sizable evangelical Christian population and a number of evangelical churches. The strong support of the area's business community helped HLCA move into its own new school facility in 1998.
