

Science Teacher

Description of Duties

Luther College (www.luthercollege.edu/high-school) invites applications for a part-time (25 to 50%) term Biology 30 Science teacher, duties to commence January 26, 2024, and end June 30, 2024.

The successful candidate, in collaboration with colleagues and administration, will be responsible for:

- Teaching Saskatchewan Ministry of Education Biology 30 science curricula;
- Contributing to co-curricular programming in proportion to the position.
- Advancing the educational standards and reputation of the school and the Science program;
- Participating in staff meetings and professional development where deemed necessary by the Principal or designated administration.

Qualifications

Preferential consideration will be given to candidates who:

1. Currently hold a Saskatchewan Teacher's Certificate;
2. Preference given to accredited teachers.
3. Have successfully taught science courses at the high school level;
4. Possess strong interpersonal skills and who enjoy working with high school students; and
5. Value teaching in an educational institution informed by the Lutheran heritage of excellence in scholarship, freedom of inquiry and a faithful seeking after truth.

To Apply

Please forward an electronic letter of application, a resume and references, and a brief statement of educational philosophy (one page maximum) to:

Luther College High School

Email: lcshsr@luthercollege.edu

Closing date: January 8, 2024, at 5:00 p.m. Only candidates selected for interviews will be notified. For further details regarding this position and teaching at Luther College, please visit www.luthercollege.edu

Salary: Salary and benefits are commensurate with the Saskatchewan Teachers' Federation Agreement.

Equity, Diversity and Inclusion

Luther College is committed to an inclusive workplace and encourages applications from all qualified individuals, including all groups protected by the *Human Rights Code*.

Luther College is situated on Treaty 4 lands. These are the territories of the nêhiyawak, Anihšīnāpāk, Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. For Luther College, this acknowledgement is a recognition of the shared histories of Indigenous and non-Indigenous peoples, and a reflection of our commitment, as visitors on this land, to the continuing act of reconciliation essential to

a shared future together. To this end, Luther College works to support the Truth and Reconciliation Commission's Calls to Action, especially numbers 62-64.

Luther College

Luther College High School is a historical independent school offering exceptional secondary education for students in grades 9 to 12. Luther College offers the International Baccalaureate (IB) programme and a strong liberal arts curriculum that develops critical thinking and inquiry skills. Our motto, "Quality education in a Christian context" refers, in part, to the education of the whole person. The school enjoys a reputation for excellence in academics, but also for extensive and vibrant co-curricular programming, all guided by a dedicated teaching staff which challenges students to excel and discover their gifts.
