Millwoods Evangelical Free Church (MEFC) Youth &/or Music Internship Opportunity

Are you a student planning on entering Christian ministry after graduation? Are you looking for a church internship program where you can gain hands-on experience in Youth or Music Ministries? Are you looking to add experience to your resume? If so, the MEFC internship program might be the perfect place for you!

Here at MEFC we have an opening for: 1) a Youth intern 2) a Music intern (the right candidate could fill both roles). Our goal is to help in training the next generation for ministry and to see Christ centered men and women bring about Kingdom changes to the world. It is important for you to know that we are a congregational governed church. This means that you will be partnering with congregants by serving their needs as you fulfill your calling to ministry.
